

Sports Club Management System

About

The sports club management system software is a built system that manages the entire club activities and provides respective functionality for various types of visitors. This system is built with respect to managing a club. It allows manage for club membership, enroll for various activities and other services offered at premises. The sports club management system is built keeping in mind various daily activities of an establishment and the software automates all these club functionality for easy operation of the club

Why choose us?

Saves You Time

- this system will save you countless hours associated with the labor intensive, time-consuming tasks associated with running your establishment

Easy To Implement And Use

- The system is web based and we offer it as a service.
- This means that you do not need to buy expensive equipment or software. Better yet, there is no software to install.
- All you need to use our service is your club's website.

Why choose us?

Minimal Data Entry

- Easy to enter and maintain information about your patrons.
- Billing, schedule, communications, player attendance as well as all other custom features can be provided by our system.

Remote Access and management

- Web based service offers remote access even when your are not within premises

A high-angle, low-key photograph of a group of young women, likely a lacrosse team, huddled together in a circle. They are wearing black and white uniforms with "ROSEMONT LACROSSE" and the number "29" visible. The background is dark, and the lighting is bright, creating a strong contrast. A large, semi-transparent white circle is overlaid in the center of the image, containing the title and a list of services.

What We offer

- Web Application
- Android App for Reception
- Tablet based POS system with centralized wallet for Customers (Optional)

Create groups based on time slots

The screenshot displays the 'Estadio' web application interface. On the left is a purple sidebar with a menu of options: Home, Payments, Real Time Attendance, Attendance History, Ledger, Bookings, Family Membership, Groups (highlighted), Payment History, Customer, Sports, Timeslot, Court, Manage Payment, and Expense. The main content area is titled 'Group' and features an 'Add New Group' button. Below this is a 'Group List' section with a search bar and a table. The table has columns for 'Group No', 'Group Name', and 'Action'. It currently shows 'No data available in table' and 'Showing 0 to 0 of 0 entries'. Navigation buttons 'Previous' and 'Next' are at the bottom right of the table area. The top right of the page shows a user profile for 'Admin'.
